

# Mpause

**HIGH STRENGTH**  
Soy Isoflavone

**COMPOSITION:**

Serving per capsule:  
Soy Isoflavones extract ..... 75 mg

**SUPPLEMENT FACTS:**

**Mpause** capsules is an all natural high strength soy isoflavone supplement that provides the ideal daily dose of soy isoflavones (plant estrogens), scientifically proven to help the body adjust to decreased hormone levels that occur during menopause and premenopause.

**Mpause** High Strength capsules can be used during and after the menopause.

The plant estrogens found in **Mpause** can also help maintain a healthy heart and support strong bones, making this product an excellent, natural option during menopause. **Mpause** is ideal to control some of the symptoms of menopause which include hot flushes, night sweats and vaginal dryness.

**DOSAGE:**

1 capsule daily with large glass of water preferably with meal or as advised by the physician. Continue as required.

**PRECAUTION:**

Not suitable during pregnancy or whilst breast feeding, except on doctor's advice. If you are taking any medication, consult your doctor before taking this product. Not recommended for women with a family history of breast cancer.

**WARNING:**

- It is recommended not to exceed from the prescribed dose.
- The product should be used following well balanced diet & adopting a healthy life style.
- Store below 30°C.
- Protect from heat and direct sunlight.
- Keep away from the reach of children.
