

RIOCRAN

Cranberry

Juice Extract

PRODUCT DESCRIPTION:

Riocran - Cranberry Juice Extract is a carefully selected herb which helps to prevent urinary tract infections(UTIs).

COMPOSITION:

Each sachet contains:

Vaccinium Macrocarpon 250mg
(Cranberry Standardized Powder Extract 10:1)

RIOCRAN contains a clinically proven Cranberry extract that combines cranberry (vaccinium macrocarpon) fruit and juice concentrate to provide the phytochemical profile of whole cranberries.

RIOCRAN helps to prevent and reduce the symptoms of urinary tract infections naturally, by providing relief from pain and burning sensation and maintains a healthy urinary tract.

RIOCRAN prevents the adhesion of infection causing bacteria (E.Coli) & helpful to prevent from urinary tract infection, the same bacterial anti adhesion property has also been found against the bacteria that cause stomach ulcer (H.pylori) & dental cavities forming bacteria (streptococcus mutans).

RIOCRAN offers demonstrated efficacy against the bacteria that causes UTI. Bacterial adherence to mucosal cell (host cell surface membrane) is an initial step in development of infection.

INDICATIONS:

- Urinary tract infection.
